

Mullins First Baptist Church's New Ministry Theme:  
**"Living Life Together... in Christ!"**  
*"And all who believed were together and had all things in common."*  
(Acts 2:44 ESV)

Mullins First Baptist Church is made up of a multigenerational community of believers. We, as a community of believers, live life together: We worship together, fellowship together, celebrate together, laugh together, mourn together, encouraging, supporting, helping, sharing, and comforting each other. We are living life together... in Christ! Christ is the common denominator who unites us. We are all unified in our purpose of life, seeking to live our lives for God's glory.

Our community of believers is a manifestation of the body of Christ in Mullins.

*manifestation* | ,manəf'ʃtāSHən, -fes'tāSHən |

*noun*

*an event, action, or object that clearly shows or embodies something,*

In the upcoming weeks, we will be implementing an outreach and inreach Sunday School ministry called *SHARE*. This new ministry will begin one Sunday night per month from 7:15pm to 8:30pm. *SHARE* will consist of reaching in to our existing community of believers by: visiting, communicating, making cards and letters, and praying. It will also consist of reaching out to Mullins, seeking to let our city know that we desire to share Christ with it, inviting others to join our community of believers, to live life together, with us... in Christ! Stay tuned in for more information about this exciting new ministry.

Have you seen our revamped website, by Rick Fowler and Jim Drew? It is awesome. You now have access to our Constitution & Bylaws, along with an access link to our doctrinal beliefs, the 2000 version of the Baptist Faith & Message.

You don't want to miss attending this coming Sunday... It is high-attendance Sunday; therefore, invite your friends and family to join us for all the special events that we have planned!

Blessings,
